## Appreciation Day 2021

On Friday August 27, 2021 we held our employee appreciation event. Our activities included honoring those who have been with EAA for over 10+ years. We were excited to say that just over 150 workers including our office staff are 10+ years employees. Thank you to everyone who attended and to those who came by to pick up their certificate. We understand we are living in interesting times and we need to keep everyone safe and healthy. Thank you for your commitment to EAA, our senior participants and the many communities we serve. Pictured below are just a small sample of the individuals displaying their certificates. Listed in the insert are the 150+ workers who are currently working for EAA. **Thank You All!!!!**

## Don't Forget to Pick Up Your PPE

Homecare Aides, please stop by the office to pick up your personal protective equipment. It is important that we protect you and our clients. If you have any question please let us know. Also note, because we are still in a pandemic we will ask you to wait outside, your supervisor will come to you! It's great to see you and we hope only for your best but we need to keep everyone outside at this time. As the pandemic changes, we will keep you posted. If there is any supply you would like to receive please let us know and we can check into it. We can't wait to have you back inside!!!! Pictured to the right, Josan prepares the PPE bags for distribution.

## Shoe/Boot Certificates

We would like to inform you that we will extend the use of your Roma shoe/boot certificate until the end of the year. In just a few weeks, we anticipate some new items being sold at the Roma website. If you haven't picked up your certificate or you would like to donate it back to EAA please let us know. Remember, we have extended the usage dead line to the end of the year. Log into [www.romaboos.com](http://www.romaboos.com) to shop. Pictured to the left, Raquel models her pair of boots.

## Looking Back on Days Gone Bye!

If it wasn't for the past, where would we be today! EAA has so many stories to tell! Life gives all of us a new place to begin each day and the past to learn from. Below you will see pictures of past employees and friends who have left an imprint on EAA. So proud to be part of so much history and to see the office changing everyday! Thank you to everyone for your commitment to EAA.

## The Greater Chicago Food Depository

GCFD has been part of EAA since the beginning. Programs, procedures, policies, training and staff have changed. But what hasn't changed is the opportunity to serve our community with their support. Through the pandemic we are grateful for the grants, the 16 week Thursday lunch program and the additional boxes of food and vegetables. Pictured from left to right: Elena with Angel at GCFD next, Margie leads a group in a volunteer activity.
